WRH HybridPure ProMix[®] Whole House Water Conditioner

The Ultimate All-in-One System Solution

Why install multiple bulky systems? This single high-performance unit replaces three or more traditional water filters, saving you valuable basement space and reducing upfront equipment costs.

Blended for the North American Market: Formulated for City Water.

- ★ **Water Hardness (CaCO₃)**
- ★ **Chlorine (Cl₂)**
- ★ **Iron (Fe)**
- ★ **Manganese (Mn)**
- ★ **Natural organic matter, including Tannins (TOC)**
- ★ **Ammonium (NH₄⁺)**
- ★ **Heavy metals**
- ★ **Hydrogen Sulfide (H₂S)**

SPECIFICATIONS

- Patented ceramic discs are corrosion and abrasion resistant for longer life and reduced maintenance.
- Multiple, programmable efficiency settings; grains exchanged per lb. of salt
- Bright, easy to read LCD display
- Long-term memory for program functions
- 72-hour memory backup
- No external PLC required to operate multiple control heads or external devices.

Tackles Major Water Problems at Once

Specially engineered to completely clean your water by targeting five serious issues simultaneously:

- **Hard Water Scale:** Eliminates hard water to protect your plumbing and appliances.
- **Chlorine & Chemical Odors:** The carbon layer acts like a powerful magnet, trapping bad tastes, chemical smells, and chlorine for crisp, refreshing water from every tap.
- **Iron Staining:** Removes both clear-water iron and organic iron that cause ugly orange stains on fixtures and laundry.
- **Manganese:** Clears up black slimy residue and metallic tastes.
- **Tannins & Organic Odors:** Filters out natural organic matter that turns your water tea-colored or causes earthy smells.
- **Ammonium:** Effectively reduces localized chemical compounds for fresher water.
- **Heavy Metals:** Provides an essential layer of safety by filtering out toxic heavy metal contaminants.

COMMONLY USED VESSELS

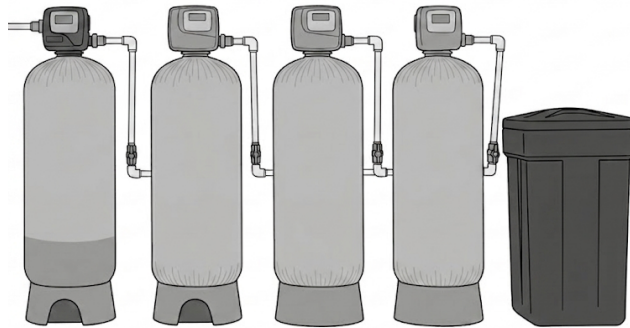

Model Number	HybridPure Volume (bags*)	Carbon Volume (bags*)	System capacity (grains)	Size of Vessel (inch)	Size of Brine Tank (inch)
HPPM-0948	1.0	1.0	18,000	09 x 48	14 x 34
HPPM-1054	1.5	1.5	24,000	10 x 54	14 x 34
HPPM-1252	2.0	2.0	32,000	12 x 52	16 x 33
